Force Alone Can Sustain It. In the matter of expressing indignation at the North are restrained from all outspoken enormity, and utterly indefensible. feeling because-first, they are so-called Republicans, and fear that the errors of GRANT on the subject might ruin the party if they were the object of their censure; and sepower of the Union into their hands.

Of course this is enough in these times to stiffe the voice of a great part of the people can people that it assists very much more to sons. damn the Administration than to shield it from condemnation. The New York Times admits that "public sentiment has generally "that it is prepared to hand over the settle-"ment of southern questions to the explanation of the status of the Republican party. Had the Times made said that "public sentiment has generally condemned" the measures of the Administration in Louisiana, it would have been strictly accurate. As far as our observation goes, there must be a comparatively small prove what General GRANT has done towards | error. Louisiana. We think that the majority of the Republicans condemn him; but that bane of the Republic-party spirit-causes them to repress their own honest convictions and pursue the dishonest and flagitious policy of either defending wrong "out-andout" or breaking the force of a tyrannical exercise of authority and a gross usurpation of power by softening their features as much as possible, and apologizing for what they to the Richmond Dispatch the writer says: can't defend. To these straits are the followers of the

cruel and tyrannical Republican Administration reduced. But what solid advantage can it gain for the Republican party? In our opinion, none whatever. The builders may endeavor to prop a house that has lost its balance, and defend themselves by proclaimcan do cannot prevent the final catastrophe of its fall and utter ruin and the complete exposure of the dishonesty and incapacity of the builders.

which conceals the dishonest purposes which govern the Radicals. Their apprehensions are plain. They see dangers which they cannot avert, and their tribulation is too great for concealment. Their embarrassment, caused by the necessity of defending what they would condemn and what they

For these reasons we think political affairs are all the States of the one; the sternest are getting along very hopefully. We could tyranny that ever governed man beneath its not expect the Radicals to condemn the beel could not be more dire than that which President. We could not expect the mass of the people who have sided with the Redefeat of the Republicans will be the deathknell of their political lives. But the flagrant like a flood, sweeping away all their defences and steadily overwhelming them.

While we say we could not reasonably expect the Republican party to condemn themselves, the signs of discord in their ranks | News. have been powerfully significant, Take WILSON, and BLAINE, and DAWES, and a host of others, for example. They all speak for thousands. Even Butler goes for a new Board, and all that rotten machinery which GRANT has bolstered up with the Federal

In no light that we can view the course and the South can we consider it any thing but weak and tottering. The army alone gave it supremacy over the States, and nothing but the army can maintain Force executed its measures, and force is the breath of its nostrils. It cannot live in the respect and by the will of the people. It is doomed to execration and death unless the just judgment of the nation be defeated by force, and the usurpation of the presidency for a third term by General GRANT; to the utter subversion of the Constitution and the civil liberty of this Union.

The White Scamps Get All. The following is an extract from a letter to a Northwestern Republican newspaper. It is from a citizen of Mississippi, who is

said to be a gentleman of reliable character: "The article which I inclose from your paper, inasmuch as it lays the blame of high taxation upon the colored man, is positively unjust. It is an unquestionable fact that Nay, it is even "possible" that a proclamathree-fourths of the money wrung from the tion from the President would suffice to setovertaxed property-holders of this State has the the point, and that in this event "no gone into the hands of white men, at least further action need be taken except that half of whom are native and to the manner which would devolve upon me-P. H.

Every word true, no doubt. This statethe nature and morale of the detestable Rad the rogues who came down from the North other States-to maintain their solid organization in spite of the gross deceptions that

SHERIDAN is not the man to retrieve himself in public opinion.

The Virginia Medical Monthly for January maintains the high reputation of previous lature of Louisians, has plainly transcended Nos. Dr. Landon B. Edwards, the editor, is bis powers, committed an act of gross a judicious editor as well as physician.

THE SOUTH .- In a recent communication

"We are not permitted to ignore the fact that the Union as now constructed is composed of majority States by compact and minority States by conquest and subjugation." This is the exact and entire truth. Between the northern and the southern States, between this strong "majority" and this weak "minority," there is a great gulf fixed. The northern State- are masters, the southern States slaves. The one section is ing that it was honestly built; but all they never wrong, the other never right. The one has its rights constantly invaded and infringed, its political privileges denied, and its regulations for internal government contemptuously set aside; the other has obtained additional rights, has acquired The world sees through the thin disguise additional privileges, and is the power behind the throne of the l'ederal Government. The one is constantly being interfered with; the other never. The one is constantly advancing; the other always receding. The internal power of the States of the North has grown so great that the Federal Government dare not raise its finger against them even in the gentlest reproof. That of the southern States has become so fear is indefensible, is apparent, and does insignificant that their judiciary are driven more to break down their own cause than from the bench, their executive officers decould their open censures of President posed, and their legislative assemblies dispersed at the point of the bayonet. The

crushes the other. It is proposed to introduce a change into the Constitution. It would be far more publicans to do so, much less the Republican consistent if that instrument were abolished leaders and the office-holders, to whom the altogether, in theory now, as it is already in fact, as far as the South is concerned. The South has no part or lot in it. There is no Constitution for her. The Constitution, outrages of the Radical Anministration are with all its privileges, rights, and protection, belongs only to the northern "majority." The subjugated and conquered southern "minority" have no law but the will of the Executive at Washington and the bayonets of the Federal Government .- Lynchburg

freest republic could not be more free than

Gordon.-The thanks of Georgia and the whole South-yea, the plaudits of good men everywhere-are due to Senator Gordon for his eloquent, masculine, and powerful deelection in Louisians. What does that im- fence of the southern people against the asply? Censure of Kelloge, the Returning persions of Mr. Edmunds. A higher type of civilization never existed than that of the South before the war. The barbarism that may exist now is purely a Radical productarmy. It implies that Sheridan is a ligrand the fatal fruit of the fitteenth amendment. that his "banditti" have been wronged and This country was a happy and prosperous country until the Abolition doctor sought to ruin it, and finally succeeded in doing so, by twisting their theories into a sword, which, of the Administration towards Louisiana having performed its mission, is now upraised to strike down every vestige of liberty. Well may such men as William Cullen Bryant and August Belmont shrink from the visage of their bero and howl against his execrable shape. They will yet know, to use its existence after the present term. the words of ex-President Johnson, that the cause of the South was a just cause, and that posterity will rank the names of Lee and Jackson alongside those of Hampden and Sydney. A confession of this sort will be hard for many men at the North to make; but they must either make and take action upon it or else prepare to have their liberties lestroyed, as ours have been. - Augusta (Ga.) Constitutionalist.

> THEM BANDITTI. - When a so'dier drops the sword and takes up the pen he is very apt to make a fool of himself; and that's what's the matter with Phil. Sheridar. The slothful man of Scripture was terrified by the apparition of a lion in the streets, and Sheridan has lost his wits by a vision of the banditti. He is not quite certain, however, that these terrible personages are banditti, but if Congress were to pass a law declaring them banditti he would have no doubt whatever about the true character of "this banditti." Sheridan, Lieutevant-General," etc.

It is not necessary, perhaps, to mention ment gives the clue to the whole matter of that the Lieutenant-General has been excited to the pitch of writing execrable English by the White Leaguers, and that the obnoxious ical party of the South. The negroes were individuals whom he suspects of being banbanded together immediately after the war ditti are "ringleaders of the armed White by the arts of the hypocritical preachers and Leagues." What Sheridan will think of the merchants of New Orleans, now that they have branded bim as a liar-or, to use their to plunder the helpless people of the South. very courteous words, accused him of The negroes have continued-with excep- giving "utterance to statements singutions in Louisiana, Arkansas, and one or two larly at variance with the condition of things"-we cannot imagine, and will not ing terms of the circuit courts was postattempt to predict. But it will be a disappointment if he does not discover a stronger have been practiced upon them, including epithet than banditti for people who act in such a reprehensible style. Nor are we as-The alien tricksters and robbers made such | sured what he thinks of Kellogg, and Casey, and Packard, and Piuchback, and all that unsavory crowd; but by implication they share in the spoils thus acquired prompted are not banditti. Nor does he express any many native southern whites to follow the opinion about Emory, and De Trobriend, example of the strangers. Thus white re. and Merrill, and sundry other army officers cruits rallied to the side of the negroes and but we may safely infer that he does not carpet-baggers, and the plunder and the offices have been divided between the two some people quite as loyal as Sheridan who do not hesitate to brand them as such .-
